RECRUITMENT OF PROJECT COORDINATOR

The Government of the Republic of Liberia has received financing from the International Development Association of the World Bank toward the cost of the Smallholder Tree Crop Revitalization Support Project (STCRSP), and intends to apply part of the proceeds for consulting services.

The project development objective is “to increase access to finance, inputs, technologies and markets for smallholder tree crop farmers in Liberia, and to prepare a long term development program for the tree crops sector”

1. The consulting services (“the Services”) described in this request for expressions of interest are to ensure that The Project Coordinator will head the Project Coordination Unit (PCU) located within the Programs Management Unit (PMU) of MoA, and will be responsible for the overall coordination of the implementation of STCRSP activities as outlined in the Project Implementation Manual (PIM). S/he will work closely with the managers of the sub-projects under Component 1. S/he will be the focal person for the Project, and will play a key role in ensuring that all work flows and processes operate efficiently, with good coordination among institutions, agencies, and contracted implemented partners involved in project implementation. S/he will also ensure and maintain good liaison with the World Bank TTL.
 - The Candidate will have: ideally a post graduate degree in a relevant business administration/management/agricultural commerce type field with at least six years of relevant experience; or otherwise a similarly relevant undergraduate degree with at least ten years of relevant experience and highly developed computing and communication skills, and strong interpersonal and teamwork skills.
