DISCLAIMER ON PURPORTED CROPS COMPENSATION LIST

The Minister of Agriculture, Hon. Jeanine M. Cooper, informs the general public, development partners, international organizations, concessionaires, construction companies, ministries, agencies and commissions within the Government of Liberia that the issuance of a so-called **CROPS COMPENSATION PRICE LIST** titled **PRICES FOR ECONOMIC CROPS DAMAGED DURING DEVELOPMENT PROJECTS** dated June 1, 2023 was not authorized by the Ministry of Agriculture.

The Ministry, therefore, disassociates itself from such list and requests all concerned to not honor this list and to not use it to compensate farmers.

While the Ministry is in the process of developing one based on thorough market analyses and assessments of current price indexes of various crops and trees, **the only CROPS COMPENSATION LIST in effect is the one with dateline August 20, 2012 under the signature of former Minister Florence Chenoweth.**

Before the end of this year, 2023, a new list will be issued under the signature of the Minister of Agriculture.

Signed:

Jeanine M. Cooper
MINISTER
